**1. Updates in relation to the Directive (EU) 2024/927 of the European Parliament and of the Council of 13 March 2024 (the “Directive”)**

### Swing pricing (formerly known as “dilution adjustment”)

The disclosures on swing pricing will be enhanced to include examples of dealing costs which may be taken into account when determining the adjustment to Net Asset Value.

## **2. Other updates to Barings and the Hong Kong Offering Documents**

The Hong Kong Offering Documents will also be updated to reflect the following:

- terminology change of in-kind distributions to “exchange of assets for settlement”;
- update to list of sub-custodians of the Depositary in Appendix E to the Prospectus;
- to align with the latest SFC regulatory expectation, a new section headed “**INVESTMENT MANAGERS**” will be added to the HKCD to reflect that the Manager (and the Investment Manager, as the case may be) may from time to time sub-delegate its investment management functions of an Underlying Fund to other entities as disclosed in the Prospectus and Supplements of the relevant Underlying Fund without prior notice to investors;
- update to the summary of the risk management policy and procedures concerning the Underlying Funds’ investment in FDIs in the HKCD; and
- other miscellaneous, regulatory, administrative, information and editorial updates, enhancement, clarification and simplification of disclosures, including updates to tax disclosures and updates to underlying fund not authorised by the SFC or Tranches not available in Hong Kong.

The changes described above do not amount to material changes to the Underlying Funds, will not materially change or increase the overall risk profile of the Underlying Funds and will not have a material adverse impact on investors’ rights or interests.

The Hong Kong Offering Documents will be updated to reflect the changes set out in this letter. A copy of the revised Hong Kong Offering Documents will be available on or around the Effective Date from [www.barings.com](http://www.barings.com)<sup>1</sup>.

### **Actions to take**

You do not have to take any action if you wish to remain invested in the Investment Choices regardless of the above change. Otherwise you may wish to consider switching the units of the Investment Choices (if applicable) or redirect future regular premiums/contributions (if applicable) to other investment choice(s) through the usual application procedure. No switching fee(s) will be incurred under the current fee structure of your policy.
