Unless otherwise indicated, all capitalised terms in this letter shall have the same meaning as described in the prospectus for Barings Global Umbrella Fund dated 1 September 2023 (the “**Prospectus**”), Hong Kong Covering Document for Barings Global Umbrella Fund dated September 2023 and the latest product key facts statements for the Underlying Funds (as defined below) (collectively, the “**Hong Kong Offering Documents**”).

Reference Code	Name of investment choice
16RE	Barings Eastern Europe (SP) Fund - Class A EUR Inc #
17RU	Barings Eastern Europe (SP) Fund - Class A USD Inc #
11RE	Barings Global Resources Fund - Class A EUR Inc
06RU	Barings Global Resources Fund - Class A USD Inc

(Each an “**Investment Choice**” and collectively, the “**Investment Choices**”)

Temporary suspended, until further notice.

We have been informed by Baring International Fund Managers (Ireland) Limited, the manager of Barings Global Umbrella Fund, of certain updates relevant to the underlying funds corresponding to the Investment Choices (Each an “**Underlying Fund**” and collectively, the “**Underlying Funds**”), unless otherwise stated, has taken effect on or around 1 September 2023 (the “**Effective Date**”). As the unitholders of the Investment Choice(s), the updates applicable to the Underlying Funds may have implications for your investment.

1. Update to investment policy of the underlying fund corresponding to the investment choices listed in the table below

Reference Code	Name of investment choice
11RE	Barings Global Resources Fund - Class A EUR Inc
06RU	Barings Global Resources Fund - Class A USD Inc

Certain terminologies in the investment policy of the Underlying Fund has been updated to reflect that the Underlying Fund invests at least 50% of its Net Asset Value in equities of issuers that exhibit positive or improving environmental, social or governance (“ESG”) characteristics, and up to 50% of its Net Asset Value in equities and equity related securities of issuers that exhibit less positive ESG characteristics. References to “companies” are replaced with “issuers” throughout the investment strategy of the Underlying Fund as an editorial terminology update and does not represent a change to the investment policy of the Underlying Fund.

Further, the investment policy of the Underlying Fund has been updated to express the proportion of their respective primary investment based on its Net Asset Value (rather than total assets) and to clarify the investment thresholds of the ancillary investment of the Underlying Fund.

The changes set out above do not amount to any material change to the Underlying Fund. There is no change or increase in the overall risk profile of the Underlying Fund following the changes. The changes do not have a material adverse impact on unitholders’ rights or interests (including changes that may limit unitholders’ ability in exercising their rights).

2. Availability of pre-contractual information pursuant to Article 8 or 9 of the Sustainable Finance Disclosure Regulation (the “SFDR”) of the Underlying Funds

With effect from the Effective Date, the annexes to the Supplements of the Underlying Funds which contain the pre-contractual information pursuant to the SFDR regulatory technical standard in respect of Underlying Funds that fall within the scope of Article 8 or 9 of the SFDR (the “**SFDR Annexes**”) no longer forms part of the Hong Kong Offering Documents. The SFDR Annexes in relation to Articles 8 and 9 Underlying Funds which are authorised by the SFC is available to Hong Kong investors (in English language only) under the “Documents” tab of the respective Underlying Fund section on Barings’ website at <https://www.baring.com>¹, and is not appended to the Prospectus distributed in Hong Kong.

3. Other miscellaneous updates

The Hong Kong Offering Documents has been updated to reflect other updates such as:

- Change of Director of the Manager;
- Clarification to reflect that, under exceptional circumstances, an underlying fund may temporarily invest up to 100% of its Net Asset Value (rather than total assets) in cash, deposits, treasury bills, government bonds or short-term money market instruments or have substantial holdings in cash and cash equivalents;
- Amendment to the Chinese name of the benchmark for the following Underlying Fund:-

Name of underlying fund	Current Chinese name of the benchmark	Updated Chinese name of the benchmark
Barings Global Umbrella Fund - Barings Eastern Europe (SP) Fund	MSCI新興市場歐洲10/40 (淨回報總額) 指數	MSCI新興歐洲10/40總額淨回報指數

For the avoidance of doubt, the benchmarks of the Underlying Fund remains unchanged;

- Enhancement of disclosures on ESG integration approach, including the engagement policy with issuers adopted by the Investment Manager; and
- Other miscellaneous, regulatory, administrative and editorial updates, enhancement, clarification and simplification of disclosures, including updates to tax disclosures.

A copy of the revised Hong Kong Offering Documents are available on or around the Effective Date from www.baring.com¹.

Otherwise you may wish to consider switching the units of the Investments Choices (if applicable) or redirect future regular premiums/contributions (if applicable) to other investment choice(s) through the usual application procedure. No switching fee(s) will be incurred under the current fee structure of your policy.
