Dear Valued Customer,

As an important notice, please read this letter carefully and seek independent professional advice should you have any questions about the content. Heng An Standard Life (Asia) Limited accepts responsibility for the accuracy of the content of this letter.

Clarification to the investment policy of the underlying fund corresponding to the following investment choices of Franklin Templeton Investment Funds

Unless otherwise specified herein, capitalized terms used in this letter shall have the same meanings assigned to such terms in the Explanatory Memorandum of Franklin Templeton Investment Funds dated April 2025, as amended from time to time (the “**Explanatory Memorandum**”).

Reference code	Name of investment choice
30TU	Franklin Templeton Investment Funds - Templeton European Small-Mid Cap Fund - A acc
31TE	Franklin Templeton Investment Funds - Templeton European Small-Mid Cap Fund - A acc - EUR

(Each “**Investment Choice**”, and collectively, the “**Investment Choices**”)

We have been informed by Franklin Templeton Investments (Asia) Limited, the Hong Kong representative of Franklin Templeton Investment Funds (“**Franklin Templeton**”) of a clarification to the underlying fund corresponding to the Investment Choices (the “**Underlying Fund**”), effective from 21 May 2025 (the “**Effective Date**”). As the unitholders of the Investment Choices, the following change applicable to the Underlying Fund may have implications for your investment.

The board of directors of Franklin Templeton has decided to amend the second paragraph under the sub-section headed “Investment Policy” of the Underlying Fund’s profile, with effect from the Effective Date (with revisions shown in mark-up):

“The Fund principally invests its net assets in the securities of issuers incorporated or having their principal business activities in European countries and which have a market capitalisation ~~above Euro 100 million and below Euro 8 billion or the equivalent in local currencies~~ at the time of initial purchase within the range of the market capitalisations of companies included in the MSCI Europe Small-Mid Cap Index. Once a security qualifies for initial purchase, it continues to qualify for additional purchases as long as it is held by the Fund.”

Save as otherwise provided herein, the above changes will not result in any other change in the features of the Underlying Fund, and there will be no material impact on the asset allocation and risks applicable to the Underlying Fund. There will be no material change to the operation and/or manner in which the Underlying Fund is being managed and there will be no effect on unitholders. The above changes will not give rise to any change in the fee level or cost in managing the Underlying Fund.

The Explanatory Memorandum and the Product Key Facts Statement of the Underlying Fund shall be updated to reflect the above changes in due course. An updated version of the Explanatory Memorandum and the Product Key Facts Statement of the Underlying Fund shall be available at www.franklintempleton.com.hk¹.

Actions to take

You do not have to take any action if you wish to remain invested in the Investment Choices regardless of the above change. Otherwise you may wish to consider switching the units of the Investment Choices or redirect future regular premiums/contributions (if applicable) to other investment choice(s) through the usual application procedure. No switching fee(s) will be incurred under the current fee structure of your policy.

Investment involves risks.
